The Kew East Basketball Club is a local domestic not-for-profit club seeking to foster enjoyment of physical activity through the game of basketball.

Our Beginner Program is aimed at children in grades 1 & 2. It provides the basic skills necessary for basketball competition, learning in a supportive and enjoyable environment.

Led by KEBC senior qualified coaches, children will be taken through skills and fun drills to build physical literacy and basketball capability.

Mid way through term 3, coaches will assess if some of the children are ready to commence playing junior domestic basketball, and the Club will work with him to arrange placements into teams for these children.

There are only 20 places in the program, which has been fully subscribed every season, so please register early.

The cost for the program is \$250.00
